

Oshawa Skeet & Gun Club

Range Rules

RANGE SAFETY PROCEDURES

1. Club Members must ensure that their guests are aware of the range safety procedures and rules and supervise their actions.
2. All members must have in their possession; a current membership card, a valid Firearms License and as necessary an Authorization to Transport for restricted firearms.
3. Never allow, at any time, horseplay, careless handling of firearms or any other distractions while firearms are in use on the range.
4. No person (member or guest) impaired by alcohol or drugs shall be permitted to handle or discharge firearms on the club property. They will be asked to leave immediately, and club privileges may be revoked pending a directors' review.
5. The minimum age for a guest is 12 years old.
6. All members and their guests must sign in upon arrival at the club.
7. Guests must sign-in at the main clubhouse and pay a fee of \$25.00. Thus, guests are permitted only on days that the main clubhouse is open and staffed.
8. Shooting hours are from 09:30 am to a half hour before dusk.
9. Damage to the range must be reported immediately.
10. Please clean up your trash, spent cartridges and used targets.

RANGE SAFETY PROCEDURES SPECIFIC TO THE RIFLE/HANDGUN RANGE

11. Keep the front gate of the rifle/handgun range locked

Oshawa Skeet & Gun Club Range Rules

12. The first six positions on the left are used for handgun shooting only. The other positions are not for handguns.
13. Handgun shooters will use the 25 yards and 50 yards ranges only.
14. When shooters wish to go down range, rifle and shotguns will be made safe and placed in the racks and handguns will be made safe and placed on the safe table.
15. The range officer will then inspect all firearms to PROVE them safe.
16. The range office will then declare the range safe, change the light to green and allow shooters to go down range.
17. When all shooters return and put on eye and ear protection, the range will be declared active for shooting and the red light will be switched on.

RANGE SAFETY RULES SPECIFIC TO THE RIFLE/HANDGUN RANGE

1. Eye and ear protection must be worn at all times when the range is active.
2. When two (2) or more people are using the rifle/handgun range one person shall act as range safety officer to ensure safe range practices are followed.
3. Shooters shall only fire at approved targets, such as paper targets on the backboard. Do not fire at target stands or frames. Failure to do so could cause your membership to be revoked. The only other approved targets are "club installed" metal gongs.
4. On the rifle range, shotguns can only be used with rifled slugs. Shot shells can only be used on the shotgun ranges (trap, skeet, 5-stand, sporting clays). Shot shells can also be used on the patterning board on the shotgun range.
5. Prohibited rifles and shotguns are not allowed on the range.

Oshawa Skeet & Gun Club Range Rules

6. When you are asked to make your firearm safe; this means open the action, remove the magazine and empty the chamber(s).
7. **Do not** touch firearms when the shooters are down range.
8. **Do not** bring firearms to the firing line when shooters are down range.
9. **Do not** approach the firing line when shooters are down range.
10. There are safety tables for handguns behind the appropriate handgun positions. No ammunition is allowed on the safety tables. Place all ammunition on the bench at the firing point.
11. The use of holsters is prohibited on the handgun range.
12. Should you have a misfired round; follow the proper safety procedure and then place the misfired round in the proper disposal container.
13. **Do not** leave live rounds on the range floor. Should you drop a live round, retrieve it and if necessary place it in the disposal container.
14. All guests (someone without a current firearms license or ATT) must be directly supervised by a club member. The club member may not be shooting at the same time the guest is shooting. The club member may supervise only one guest at a time.
15. All non-shooters must remain WELL behind the firing line unless supervised.

RANGE SAFETY RULES SPECIFIC TO CLAY SHOOTING

16. Eye and ear protection must be worn at all times when the range is active.
17. Only approved ammunition is allowed on skeet, trap, 5-stand and sporting clays fields. No shot larger than number 7-1/2 is permitted. **Absolutely** no hunting loads are permitted.

Oshawa Skeet & Gun Club Range Rules

- 18.No gun may be loaded until the shooter is on station.
- 19.No more than two (2) rounds may be loaded at any time.
20. Shoot only at your own targets.
21. Prohibited shotguns are not allowed on the ranges.

I, _____ (print name) have read and fully understand the range safety rules and procedure of the Oshawa Skeet and Gun Club. I understand that failure to follow these rules could result in my membership being revoked.
